Cardio Burn

High intensity combine with low intensity, interval training this class, combines intervals of high intensity, exercise switched up with periods of low intensity, active recovery, and fat blasting workout. This class has moderate and high intensity levels. Please let the instructor know if there are any limitations that would cause you not to participate in the class.

Cycle

Cycle offers a challenging ride of intervals to deliver a confidence boosting, yet satisfying cardio and strength workout.

Cycle & Strength

A complete work out - 40 minutes on the bike, followed by upper body strength workout.

Power Pilates Mat

Uses slow controlled and precise movements to strengthen the deep stabilizing muscles in the neck and shoulders, spine and pelvis to stabilize and support the spine. Integrating breath work and body awareness it leaves you feeling more aligned, rejuvenated, and connected. Come and explore what Pilates can do for you. All ability levels

Yoga/Meditation Combo

Vinyasa yoga is a creative form of yoga where poses are linked together with the breath in a flowing sequence. The beauty of Vinyasa yoga is the variety. There is no standard sequence in Vinyasa yoga, so the style, pace and intensity will all vary depending on the teacher. This class also includes Yoga Nidra, which is a form of guided meditation also known as "yogic sleep" or "effortless relaxation". It's usually practiced lying down with a teacher guiding the

Yoga with Carol

Vinyasa flow aimed at strengthening and balancing the body, with mindful exploration of the healing powers of deep breathing.

Zumba

Zumba takes the "work" out of work out, by mixing low and high intensity moves for an interval style, calorie burning dance fitness party.
