LTS Practice Sessions:

In addition to weekly lessons, we will have 4 one hour practice sessions available for students of the current Learn to Skate session.

Practice Session Dates:

11/1, 11/22, 12/13, 12/20 - 4:30pm-5:30pm

These sessions are open to students in the current session ONLY (no parents, siblings, or other guests allowed on ice during this time). Skaters in the Snowplow level classes may have ONE adult skate with them. Adult must pay practice session rate (\$7) and skate rental fee (\$3).

Practice sessions can be paid for in advance in bulk for **\$20**, or on a walk in basis for **\$7/session**. Practice sessions must be paid for before student takes the ice. Skate rental included. To register in advance, simply check the corresponding box on registration form.
(Practice sessions can not be pro-rated, discounted, refunded, or carried over to additional LTS sessions)

Your Child's First Day of Skating

Helmets. All Snowplow Sam skaters are required to wear one, and it is suggested for all other beginning skaters. Helmets approved by the US Consumer Product Safety Commission (CPSC) are suggested. Fasten buckle and check strap adjustment often. Don't allow your skater to wear anything under the helmet, and replace immediately if it shows any visible signs of damage. Never allow them to wear a helmet that does not fit or cannot be adjusted properly. **THE BSC DOES NOT PROVIDE HELMETS.**

Keep them warm. Since kids in the younger levels are taught to fall properly on day one, gloves (not mittens!) are imperative to prevent hands from getting cold. Also, avoid bulky items like ski pants, which restrict movement, and opt for warm layers instead.

Fitting Skates. Try on skates until the most comfortable pair is found. The rule of thumb: the closer the fit, the more control. Boots should be snug, giving toes just enough wiggle room without pinching. Feet should be immobile with the heel far back in the boot. Solid support is also necessary as staying upright takes a considerable amount of strength.

Note: Be aware that rental skates are designed to fit everyone. Shoe size does not necessarily match skate size. For help, use sizing mat located at Skate Rental.

Session #2

Saturdays: November 1st - December 20th (no 11/29)
